5	EXPLANATION
---	-------------

6           The inclusion of this explanation does not constitute agreement with  
7           the explanation's substance by the members of the general assembly.

8 Under current law, only certain county treasurers are  
9 allowed to do certain actions relating to motor vehicle  
10 registration and titling. This bill provides that any county  
11 treasurer can do any of the following: accept applications for  
12 and issue registrations and certificates of title to owners  
13 of vehicles, owners of commercial vehicles, owners of certain  
14 foreign vehicles, owners of transferred vehicles, owners of  
15 vehicles with a lost or damaged certificate of title, owners  
16 of vehicles transferred by law, and nonresident purchasers  
17 of vehicles; receive forwarded plates from the owner of a  
18 registered vehicle who has transferred or assigned ownership  
19 of the vehicle to another person; accept the return of an  
20 original certificate of title from a lienholder; issue an  
21 original certificate of title to a new purchaser or transferee  
22 who presents an assigned replacement copy; receive affidavits  
23 certifying the sale or transfer of ownership of a vehicle;  
24 receive registration plates from a vehicle that has been  
25 transferred by operation of law; issue certificates of title to  
26 dealers in possession of foreign registered vehicles; receive  
27 applications for the transfer of registration and certificates  
28 of title; perfect security interests; accept certificates of  
29 title, or other forms, noting that a security interest has  
30 been discharged; receive certificates of title of vehicles  
31 that have been sold for scrap or junk; accept applications for  
32 salvage certificates of title; receive certificates of title of  
33 a wrecked or salvage vehicle; and accept applications and issue  
34 temporary permits for vehicles that are unregistered or have  
35 delinquent registration.

1     The bill increases the following fees from \$20 to \$25:  
2 applications for registration and issuance of a certificate  
3 of title for a vehicle, applications for registration and  
4 issuance of a certificate of title for a commercial vehicle,  
5 applications for registration of a vehicle failing to meet  
6 the equipment requirements of Code chapter 321, applications  
7 for a replacement copy of an original certificate of title,  
8 applications for a new registration and a new title upon  
9 transfer, applications for registration and issuance of a  
10 certificate of title for a vehicle transferred by operation of  
11 law, and applications for certificate of title to a nonresident  
12 purchaser.

13     The bill increases the following fees from \$10 to \$15:  
14 applications by a manufacturer for a certificate of title  
15 pursuant to Code section 322G.12, applications to perfect  
16 a security interest in a vehicle by delivery to a county  
17 treasurer, and applications for the issuance of a salvage  
18 certificate of title.

19     The bill increases the fee for applications for certificates  
20 of title by a dealer for a foreign registered vehicle from \$5  
21 to \$10.

22     An application for renewal of registration for a vehicle  
23 shall be submitted to the county treasurer of the county of the  
24 owner's residence, or if a nonresident or a firm association or  
25 corporation with vehicles in multiple counties, to the county  
26 treasurer of the county where the primary users of the vehicle  
27 are located, or if a lessor of the vehicle, to the county  
28 treasurer of the county of the lessee's residence. However,  
29 the bill does not change the requirement under Code section  
30 321.166 that every registration plate issued by a county  
31 treasurer must display the name of the county where the plate  
32 is issued. Under the bill, a person may register a vehicle  
33 other than by renewal in any county.

34     The bill amends Code section 321.20(2) by striking the  
35 current date by which the department of transportation (DOT)

1 is required to develop and implement a program to allow for  
2 electronic applications, titling, registering, and funds  
3 transfers for vehicles subject to registration. The bill also  
4 provides that where a transaction occurs under any program  
5 ultimately developed by the DOT, any required documentation is  
6 to be electronically submitted to the county treasurer of the  
7 county of the owner's residence, or if a nonresident or a firm,  
8 association, or corporation with vehicles in multiple counties,  
9 to the county treasurer of the county where the primary users  
10 of the vehicles are located, or if a lessor of the vehicle, to  
11 the county treasurer of the county of the lessee's residence.

12 Current law provides that, in addition to the annual  
13 registration fee, a fee for new registration is imposed  
14 in the amount of 5 percent of the purchase price for each  
15 vehicle subject to registration. The bill increases the fee  
16 by providing that the fee for new registration is \$5 plus  
17 5 percent of the purchase price of each vehicle subject to  
18 registration. Furthermore, the bill increases the fee for  
19 new registration of leased vehicles by imposing a \$5 fee in  
20 addition to 5 percent of the leased price.

21 Lastly, the bill changes the amounts of certain fees a  
22 county treasurer may retain for deposit in the county general  
23 fund. The bill provides the treasurer may retain \$7.50 from  
24 each fee collected for certificates of title, \$11 from each fee  
25 collected for perfection of security interests, and \$6 from  
26 each fee for new registration.
